Apprenticeships are often called "earning while learning" programs. Join us to find out about apprenticeship opportunities in Greater Birmingham. After the general discussion from 12:00 to 1:00 p.m., the guest speakers will answer questions from 1:00 to 1:30 p.m.

\* **The Auditorium is in the Library Building on the West Campus across from the Baseball Field.** Parking is available on the street between the field and the library. A sign inside the library will direct you to the auditorium.
